

Education by Recreation

Australia... the best classroom in the world

**INTERACTIVE
LEARNING**

**EXPLORE
AUSTRALIA**

**MAKE A
DIFFERENCE**

Study Tour Specialist - Australia

Since 1996, Education by Recreation has become renowned for creating education focused, tailor-made programs for all ages. Programs can be academically focused around study and lectures within structured classes or students may experience a combination of many unique HANDS ON interactive activities OUTSIDE OF THE CLASSROOM.

Our programs combine culture, nature, wildlife, volunteering, history, language and learning.

A division of **Banora International Group**

#"We create life changing experiences; we build life-long friendships; we achieve lifetime memories."
